## **Water Cut-Off Notification**

(Adoption Date: July 9, 1987)  
(Updated: June 4, 2003)

All local radio stations must be notified when any planned water outage affects areas too large to notify by door hangers, at the discretion of the Public Works Director, with the Town Manager's approval. All office assistants, as well as any other personnel who may answer phones, must be notified in advance with all details of the water outage.
